

# From our friends at Fund for Human Need

*The Fund for Human need (FHN) is a small Methodist-affiliated charity established in 1960 to relieve poverty and hunger.*

What would you do for an asylum seeker needing translated documents, a father needing bus fare to visit his child, a family waiting for visa paperwork, someone housed in an empty property, a bereaved mother forced to move, or a vulnerable young man with nowhere to stay?

Multiply these situations many times over and you begin to understand the monthly caseload of the Fund for Human Need.

We provide small cash grants, regardless of creed or colour, to help people through crisis, offer hope, and restore confidence. Our need is growing. Can you help us say yes to more people?
